Summer Community Updates

Board of Directors:

The Board consists of five (5) homeowners who volunteer their time to serve our community. They are:

Geoff Clarke (President)
Vik Wall (Vice President)
John Adams (Secretary)
Chris Varga (Treasurer)
Jeff Davis (Director at Large)

The Board makes the financial, contractual and operational decisions for the Association. If you wish to speak with a member, please contact Derek Patterson. The 2024 Board meeting schedule is: April / August & September - by Zoom at 5:30 PM.

Pool / Laundry Room Access - Fob (key):

New **electronic fobs** were issued last summer to all residents. If you did not obtain yours, please email Derek. These are issued/programmed and the owner will need to sign for it. A replacement Fob costs \$50.00. There is one **Laundry Room** in the community; and it is accessed by the same pool gate lock fob (one per home). If you need a replacement, please email Derek.

Weather dependent: the **pool** is normally open for the Memorial Day weekend and will stay open until Labor Day. You must have the new Fob to enter the pool.

- Please ensure all of your window and patio door screens are serviceable, in good condition and are present;
 - If you see a security or entry door light out, please let Derek know;
- Storage doors are an owner's responsibility, please replace them as needed.

Rule Reminders - Be Neighborly and Courteous:

- With more residents working from home ... other family members are also at home and playing outside.
- Please try and limit any outside noise and respect the quiet hours in the community. There will need to be a little give and take from everyone during this time, please do what you can.

Other Important Items

Architectural Review:

If you plan on making any exterior change to your home, your plans must be submitted to Derek for Association review. This includes changing anything outside your home, such as windows, doors, the patio door, entry or closet storage door, etc.

NOTE: If an item is installed without approval, the owner could be subject to removal of the item and possible fines - pending an after the fact submittal and review process.

If you are unsure about an item, please ask first.

Front Entry Planter (whiskey barrels):

If you would be interested in adopting one of these barrels and plant Perennials or Annuals, please contact Derek. Supplying water is the main concern outside of the normal seasonal maintenance.

Please Keep It Slow - Caution!

Please drive slow while in the community ... adults, family members and pets may exit from a building or sidewalk without being seen.

Recreational games and sports, motorized scooters, roller blades, skateboards and street hockey are prohibited.

Fire Safety:

Please do not discard your cigarettes, cigars, etc. in the Common Areas, rear decks or the streets. Please make sure these items are properly extinguished and disposed of. Disposal containers are not allowed in the Common Areas or on stairs.

Important Items Continued

Did you know?

If you are performing any work at your home which may impact other homes, please notify your neighbors.

Insurance: The Association's carrier is with State Farm, the Agent is **Randy Bales #303-985-3276**.

If you think you may have an insured loss relating to your home, please contact Derek. There is a deductible per claim and a Wind & Hail deductible which may be assessed to the Unit owner. All owner's are responsible for securing insurance for personal property, loss of use, loss assessment, the HOA deductible and personal liability. For more information, contact Derek.

Dog Owners - Pet Pickup Stations:

There are stations for your use. Some of the Association Common Areas are still being littered with pet waste.

- Dogs must be cleaned up after immediately;
- All dogs MUST be on a physical leash at all times.
- Please do not allow excessive barking during the day or evening.

If you're a pet owner, do your part and help keep the community clean.

Electric Service Panel (inside your home) FPE? We have heard that some units may still have a Federal Pacific Electric breaker panel. Normally, there is a sticker or logo on the inside panel door, or the breakers could have a red strip running across them which will tell you if you have this older style. These units have been known to not trip a breaker which would cause a fire. If you have replaced your panel, please let Derek know.

Utility Conservation "Gas & Water":

As a reminder, the HOA pays for all individual water, electric, sewer and gas use. Please try to conserve and continue your efforts to reduce water usage. Thanks to everyone who installed programmable thermostats, replaced original fixtures and older windows and patio doors. For more information and conservation tips visit: www.csu.org

Individual Storage Areas: All storage areas must be kept in a clean, safe and clean condition, to include replacing the entry door/lock. No hazardous materials are allowed to be stored in these rooms.
